S.C.O.U.T. buoy · block diagram

Blocks = parts · labeled lines = the actual wires, pin to pin · 2026-10-27 · I. Rodriguez (ECEN)
Resistors, capacitors and values: wiring schematic Draft C

S.C.O.U.T. buoy · block diagram (overview)

Each part and the actual wires coming out of it · 2026-10-28 · I. Rodriguez (ECEN)

Each line is one real wire, in its real color — 3.3 V (red) — ground (black) — signal (yellow) — signal (blue) — switch control — ● = joined on the breadboard
